13 You people of Chorazin are in for trouble!

The Unbelieving Towns (Matthew 11.20-24)

If the miracles that took
place in your towns had

21 At that same time the Holy Spirit made Jesus very happy. Jesus said, `Father, you are Lord of heaven and earth. I thank you because you have hidden these things from people who are wise and know many things.

But you have shown them to people who are like children. Yes, Father.

That was the way you wanted it. **22** My Father has given everything to me. No one knows who the Son is but the Father.

No one knows who the Father is but the Son and those to whom the Son wants to show him.'

23 Then Jesus turned to his disciples and said to them alone, 'God is blessing the eyes of people who see what you see!

24 I tell you this.

not see them. They wanted

11 God knows who the scoundrels are. Who are worthless and sinful (***troublemakers, cause nothing but problems***).

12 Stupid people will start being wise (***have good sense, proper understanding about life***)

when wild donkeys are
born tame. **13** Surrender
your heart (***seat of your
will, decision making***)
to God, reach out to God
in prayer. **14** Put away
(***choose to remove***)

evil and wrong from
your home. **15** Then you
will be able to face the
world with security
and courage (***overflowing
confidence***). **16** Then
you will forget your
misery (***pain, grace***)

and it will be like
water beneath a bridge,
17 and your darkest night
will then be brighter than
noonday sunshine. **18**
You will live secure (*hope,*
peace, confidence)

and full of hope
**(*expectancy of what God
is going to do in your
life*)**; God will protect you
(*security*) and give you rest
(*free from worry*). **19** You
will sleep without fear **(*will
not be filled with anxiety*)**

and be greatly respected
*(many people will ask
for your help)*. 20 But those
who are evil (*guilty, wrong
because they have treated
God and you wrongly*)
will go blind and lose their
way (*won't be able to
escape their problems*).

Their only escape is death (***both lose their mind and life***)! Their only hope is to take their last breath (***only way to escape the misery they have created for themselves is to die***).
